

4 GeV mixed beam of pions, electrons and muons

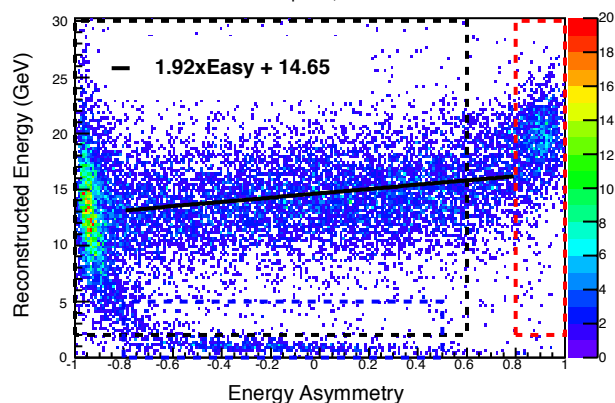

8 GeV mixed beam of pions, electrons and muons

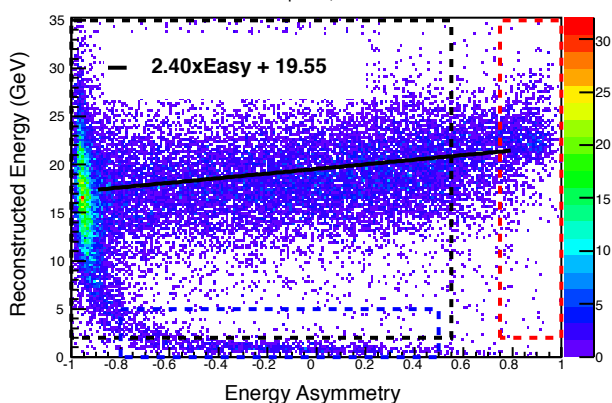

16 GeV mixed beam of pions, electrons and muons

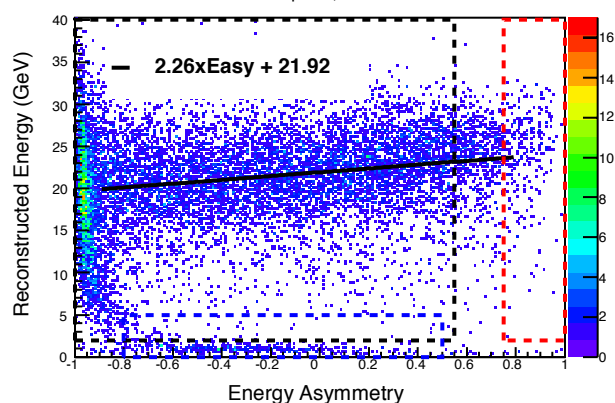

25 GeV mixed beam of pions, electrons and muons

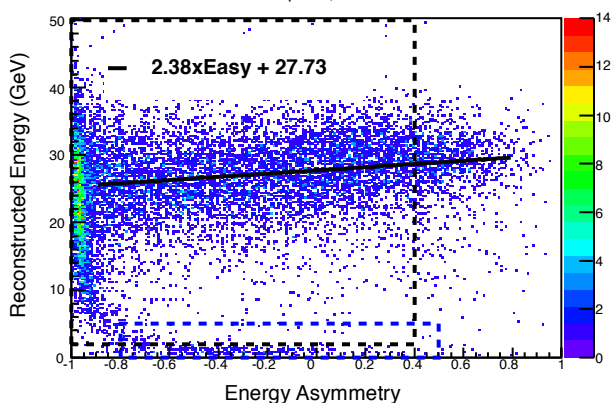

32 GeV mixed beam of pions, electrons and muons

40 GeV mixed beam of pions, electrons and muons

50 GeV mixed beam of pions, electrons and muons

60 GeV mixed beam of pions, electrons and muons
